

Stockholm 2003-03-31

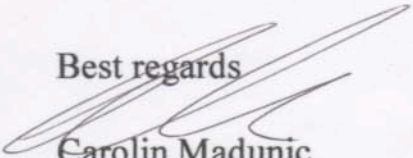

We have two stores in Stockholm , a men's boutique located at Birger Jarlsgatan 15 and a woman's boutique located at Jakobsbergsgatan 1.

We sell exclusive clothes and accessories from range like Christian Dior, Dolce & Gabbana, and Fendi etc.

Reza Ahmadi (MRFA Design & Snickeri) has rebuilt our two stores in Stockholm and we are very delighted with the result.

We highly recommended Reza, he is very professional and he knows his work. He is also full of ideas and if any problem would occur, he would immediately find a solution.

Best regards
