By this letter i confirm that MRFA Design & Snickeri Own by Reza Ahmadi, has been working as a supllie for Louis Vuitton since the opening of the store in July 2000. First for building the store in Birger Jarlsgatan 17 A , installing the furnitures and making what the store is right now BEAUTIFUL .

Now , Reza is doing the windows for Louis Vuitton (8 times / year) , in terms of painting, building them and to always respect the harmony of the LV concept . It is since 3 years, a great collaboration with him giving us the best work in town . And a lot of disponibility
